

**Picking Up 3 Critical Skills
For The End – Times
For Those Who Will Be Alive
Between Rev 12 – 16**

Looking at the pace things are moving it is very possible that most of us will be alive between the two strategic events named in the Book of Revelation ... (1) The Redemption Of The Nation Of Israel @ Rev 12 , and (2) The Rapture Of The Saints @ Rev 16.

The character called the Anti – Christ will appear in Rev 13 immediately following the redemption of the Nation of Israel in Rev 12 and will be empowered by Satan to bring maximum damage to the “saints” (Jewish believers as their primary target / Christians as their secondary target), while his side – kick the False Prophet will bring maximum damage to the “saints” in the Middle East amongst the Arab Nations.

Persecution and Martyrdom will be common in these times and most Christians alive today are prepared for neither for most of us have been fed with the lie that we will NOT be here during these times.

The Apostle John’s purpose in writing the LETTERS TO THE 7 CHURCHES IN THE BOOK OF REVELATION is to give them a coming preview of things to come – things that he had “seen” and “heard” from JESUS. The one word that was common to ALL 7 CHURCHES was the word “HE WHO OVERCOMES I WILL ...” giving the reason why believers alive at the end of the age must be / become “overcomers” as the season would demand it.

REVELATION**
